Paperless Billing Terms

At the time of billing you will receive an email notification that your tax bill is available to view on the tax kiosk at NHTaxKiosk.com. A link to the kiosk will be provided in the email. After clicking the link, you will have instant access to your bills as well as printable and downloadable pdf documents. Tax Bill information is also available on the town website www.hebronnh.org.

With electronic billing you will not receive a paper copy of your tax bill via the US Postal Service.

Taxpayers may opt out of receiving the optional E-Bill notifications at any time by sending a written request to the tax collector. Property owners are responsible to keep the tax collector updated of all email or mailing address changes. When an email is undeliverable, you will automatically receive your tax bill by US Postal Service. Interest will be calculated from the original due date.

Return the completed form to the Hebron Tax Collector, PO Box 38, Hebron, NH 03241 or in person at 10 Church Lane, Hebron, NH 03241.

After the tax collector processes your registration, you will receive a confirmation in your inbox with a request to click on the link **Confirm Future Paperless Delivery**. The process will not be complete until you click on the link. Thank you for helping the town save money and go green.
